Reference: April Quarterly Report (1/1/98-3/31/98)

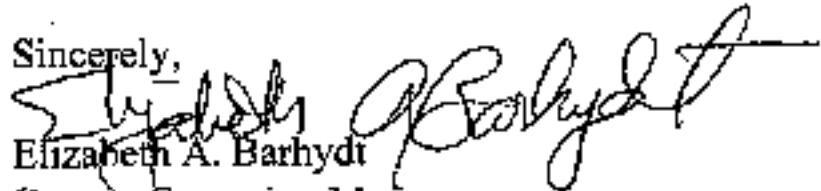

Dear Ms. Simpson:

Enclosed please find our amended quarterly report. We have reviewed the enclosed amended report and find no additional excessives. Those identified by your office have been corrected.

Additionally, the issue regarding the discrepancy between line 11(a)(i) and its supporting line has been corrected.

The explanation for the above errors in our previous report stems from discrepancies between the copy which we have on file and the one which was sent to your office. In the copy sent to your office, duplicates of individual contributions were included on two "PAGE 1 OF" pages in schedule A. I have attached those pages so they may be corrected in your files. I apologize for any inconvenience this may cause and assure you that we will verify each copy prior to mailing so this does not happen again.

Sincerely,

  
Elizabeth A. Barhydt
